## Verifying Your Insurance Benefits

As noted on the Registration form, Kids Abilities will do our best to determine your insurance benefits; however it is your responsibility to know your insurance benefits, including deductibles, co-pays, visit limitations, etc., and to be responsible for them. We are providers for many insurance plans, but not all. You will be responsible to reimburse Kids Abilities the patient responsibility portion of your insurance plan whether we are in or out of network.

## How to check your insurance benefit coverage

Contact member services. Their phone number is on the back of your insurance card. Be sure to have your ID and group number ready, and follow the prompts given. Explain that you are calling to verify benefits for PT and/or OT and/or Speech therapy. Write down the name of the representative you speak with and the date you spoke with them.
